Aging: first 10 months in barrels, then 3 months in stainless-steel tanks

Vessel type: stainless-steel tanks & barrels

ANALYTICAL DATA

Alcohol: 13% vol.

Residual sugar: –

MATURITY & AGING POTENTIAL

Estimated peak: 5 years

Estimated cellaring life: 15 years

SERVING

Serving temperature: 11–13 °C

PACKAGING & PRESENTATION

Bottle size: 75 cl

Packaging: cartons of 6 × 75 cl bottles

Closure: technical cork

TASTING NOTES & FOOD PAIRING

This cuvée is a house speciality, thanks to the blend of three varieties: Sauvignon Blanc brings indulgence, Petite Arvine freshness and Heida volume. The nose is seductive, with generous fruit. The palate confirms these impressions: lively on the attack, it opens onto notes of exotic fruit and roasted pineapple. The wine shows fine length, carried by mouth-watering, iodine-tinged acidity. A fine companion for grilled fish with butter sauce, or poultry with mushrooms. Drink from now until 2037.
