Appellation: Swiss Vin de Pays

Colour: red

Grape varieties: Marselan, Syrah, Merlot, Cornalin

VITICULTURE

Farming method: integrated production

Soil type (terroir): clay-limestone

Average age of the vines: 20 years

WINEMAKING & AGING

Pre-fermentation maceration: yes

ANALYTICAL DATA

Alcohol: 13% vol.

Residual sugar: –

MATURITY & AGING POTENTIAL

Estimated peak: 5 years

Estimated cellaring life: 10 years

SERVING

Serving temperature: 17–18 °C

Aeration (carafe): strongly recommended, ideally half an hour before serving

PACKAGING & PRESENTATION

Bottle size: 75 cl

Packaging: cartons of 6 × 75 cl bottles

Closure: technical cork

TASTING NOTES & FOOD PAIRING

Blended from Cornalin, Syrah and Merlot, this cuvée is a house speciality. Blackcurrant, blackberry and morello cherry dominate the nose, in a robe with violet glints. The aromas follow the same register, with beautifully ripe fruit and smoky, roasted notes. Elegant, persistent tannins give the whole fine length. A wine for Sunday dishes such as roast veal with mushrooms or seven-hour leg of lamb. Good cellaring potential, though open it two hours ahead to enjoy it in its youth.
